

MiniGel

Item# Project Date Models: MiniGel

Frozen Product Dispenser

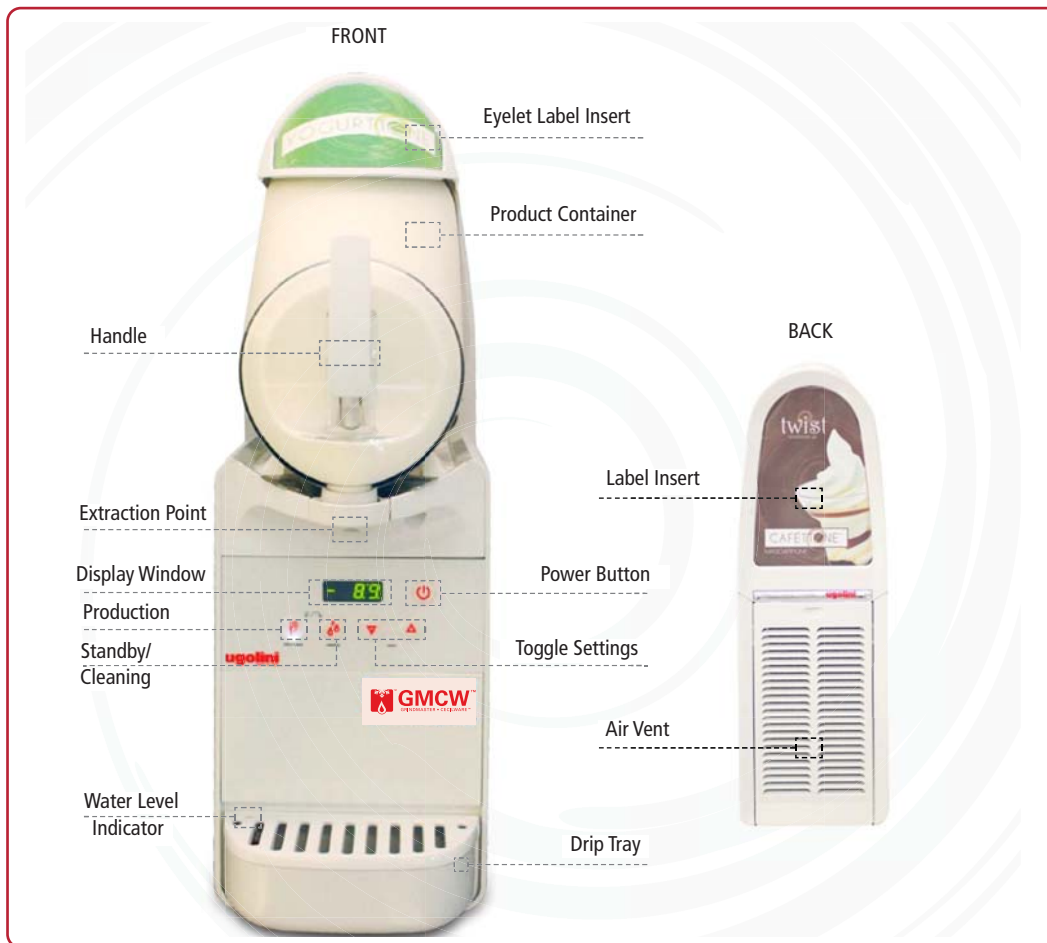

Features

- The MiniGel is similar to slush machines but has a stronger freezing compressor that chills at or below 20°F which creates a product similar to soft serve.
- Freezing cycle of 45 - 60 minutes.
- Standby mode is available for overnight storage of blends (recommend cleaning & sanitizing every two days).
- Perfect for a number of business types including coffee shops, casual & high-end restaurants, quick service restaurants, bars, gelato shops, frozen yogurt shops, convenience stores, bakeries and more.
- Simple, user-friendly interface and compact design.
- The modern design of the machine and the clear product bowl draws customers and drives sales!
